To enact Part V of Chapter 16 of Title 25 of the Louisiana Revised Statute of 1950, comprised of R.S. 25:796 through 799, is hereby enacted to read as follows:

§796. Short title

This Part shall be referred to as the "French Quarter-Marigny Historic Area Management District."

§797. Findings; declaration of necessity; and purpose

A. The legislature finds that:

(1) Hurricane Katrina caused extensive damage to the cornerstone of the state’s tourism industry, the French Quarter.

(2) Even though Louisiana’s most historic district and iconic treasure was spared from extensive flooding and looting during the aftermath of Hurricane Katrina, the French Quarter did not survive the storm unscathed. The French Quarter not only sustained wind and infrastructure damage, but its damage is continuing to occur due to a tourism drought.

(3) The prolonged loss of tourists and visitors has pushed the French Quarter’s world renowned restaurants, antique stores, art galleries, museums, specialty shops, and hotels to the brink of closure. The loss of these businesses would create a void in Louisiana’s hospitality industry and further tarnish the tourism appeal of New Orleans and of the state.

(4) It is in the best interest and common good of the people of the state, the city of New Orleans, and the French Quarter, for the French Quarter’s tarnished world image to be repaired by improving the safety and quality of life of its visitors and residents, restoring its damaged or missing infrastructure, addressing its parking and mobility concerns, beautifying its appearance, and making it more appealing and inviting for its patrons.

(5) Although the city of New Orleans increased its funding of sanitation and public safety services in the French Quarter and Marigny Triangle post-Katrina, the city’s resources are limited and must be divided city-wide among its many neighborhoods destroyed by Hurricane Katrina. Therefore, to protect and improve Louisiana’s tourism industry and economy and to preserve public health, safety, and welfare, it is necessary and essential for the state to assist in revitalizing New Orleans’ flagging tourism industry by creating and funding an historic area management district to respond to post-Katrina dynamics that is composed of the state’s most historic district, the French Quarter-Marigny Historic Area Management District.

B. The legislature hereby finds that it is necessary and essential for the state to assist in revitalizing the French Quarter-Marigny Historic Area Management District by funding the development of an historic area management district.

C. In order to facilitate the development of the French Quarter-Marigny Historic Area Management District, the legislature hereby creates the French Quarter-Marigny Historic Area Management District, and declares its purpose to be:

(1) Requiring the French Quarter-Marigny Historic Area Management District to develop a plan to attract tourists and visitors to the French Quarter-Marigny Historic Area;

(2) Requiring the French Quarter-Marigny Historic Area Management District to develop a plan to improve the safety and quality of life of its visitors and residents;

(3) Requiring the French Quarter-Marigny Historic Area Management District to develop a plan to restore its damaged or missing infrastructure;

(4) Requiring the French Quarter-Marigny Historic Area Management District to develop a plan to address its parking and mobility concerns;

(5) Requiring the French Quarter-Marigny Historic Area Management District to develop a plan to beautify its appearance.

D. Notice of intention to introduce this Act has been published.

Be it enacted by the Legislature of Louisiana:

Section 1. Part V of Chapter 16 of Title 25 of the Louisiana Revised Statute of 1950, comprised of R.S. 25:796 through 799, is hereby enacted to read as follows:

PART V. FRENCH QUARTER-MARIGNY HISTORIC AREA MANAGEMENT DISTRICT

From the text, we can infer that the authors of the document are discussing the need to enact legislation to support the French Quarter-Marigny Historic Area Management District. The legislation includes various provisions aimed at attracting tourists, improving quality of life, restoring infrastructure, addressing mobility concerns, and beautifying the area.
